

LEGEND

Please see below a legend for the zones in the 12 Zoning By-laws. For more information on the content of the parent zones, please refer to www.caledon.ca/zoning.

| Zone Prefix | Zone |
|----------------------------|---|
| Residential Zones | |
| R2 | Residential Two |
| RMD | Mixed Density Residential |
| RM | Multiple Residential |
| Commercial Zones | |
| CC | Core Commercial |
| C | General Commercial |
| Environmental Zones | |
| EPA1 | Environmental Policy Area 1 Zone |
| EPA2 | Environmental Policy Area 2 Zone |

Please note that the first characters represent the Zone Prefix as outlined above, and the remaining characters represent the Exception Numbers that outline the permitted uses and the special (site specific) standards for each of the By-laws.

Example: RMD-AAA-HDD

“RMD” – Indicates Mixed Density Residential (in the parent zone of the Town’s Zoning By-law). “AAA-HDD” – Represents the Exception Number. These characters are temporary and will be assigned numbers for the Council meeting.
