Re: Draft Plan of Subdivision (Reference PRE 2024-0083 & PRE 2024-0084)
1st Submission - Landscape Letter of Conformance
Argo Mayfield West I Limited, Argo Mayfield West II Limited, and Argo Mayfield West III Limited

Mr. Caruso,

This letter certifies that I, Silvano Tardella of NAK Design Strategies, a Professional Landscape Architect in good standing with the Ontario Association of Landscape Architects, have reviewed and understood the Town of Caledon's Landscape Standards as outlined in the *Development Standards Manual* (August 2019), as well as the relevant *Town-Wide Design Guidelines*.

The landscape site plan submission for the Argo Mayfield West I Limited, Argo Mayfield West II Limited, and Argo Mayfield West III Limited supports the Draft plan and Zoning By-law application and is consistent with the reports and studies completed during the Secondary Plan Amendment stage. This includes adherence to the design guidelines and standards outlined in the Argo Mayfield West I-III Community Design Guidelines, Argo Mayfield West I-III Healthy Development Assessment, and Argo Mayfield West I-III Landscape / Streetscape Plans, which cover park facility fits. This submission also follows established landscape architectural principles, ensuring that the design does not adversely affect adjacent properties and supports Caledon's growth objectives as set out in the Official Plan.

We trust the enclosed materials fulfill the requirements of the Draft Plan application. Should you have any questions or concerns, please do not hesitate to contact our office.

Regards,

Silvano Tardella
