**Attention: Development Review Services, Planning Department**  
The Corporation of Town of Caledon  
6311 Old Church Road  
Caledon, ON L7C 1J6

Dear Aleah Clark, Planner

**Reference: Letter of Conformance – Civil**  
**12489 & 12861 Dixie Rd**  
**Caledon, ON**

This letter is to certify that I, **Riz Akhtar** of **Stantec Consulting Ltd**, being a Professional Engineer in good standing as a full member of the Professional Engineers Ontario, have reviewed and understand the design guidelines and standards covered in the Town of Caledon – Development Standards Manual.

The functional servicing and stormwater management report dated December 5<sup>th</sup>, 2024 (including the preliminary site servicing, grading, and storm drainage plans), as submitted with the OPA-ZBA submission package attached hereto meets all the criteria set out in the Town of Caledon – Development Standards. Furthermore, the submitted functional design does not adversely affect the neighboring properties and is designed with good engineering principles.

Should you require any further information or clarification, please do not hesitate to reach out to our office.

Regards,

**STANTEC CONSULTING LTD.**
