

ARCWG Sub-Meeting (7): Hydrology And Hydrogeology

Hydrology and Hydrogeology

April 30, 2024

In Attendance

Joe Nethery (JN), David Sylvester (DS), Dorothy Di Berto (DD), Marsha Pasley (MP), Neil Morris (NM), Ron Scheckenberger (RS), Chris Neville (CN), Jane Thompson (JT), Ian Sinclair (IS)

Potential Policy Ideas

Policy Ideas to Consider

1. How are taxpayers to be protected from long-term costs related to quarry operations?
2. How can local agencies enforce and monitor AMPs in Ontario?
3. How do we deal with the concern of capacity of streams when managing a site with a lot of water?
4. A map of significant recharge areas should be included in aggregate policies to be included in the Official Plan
