Subdivision Application Guide

(Application for approval under Section 51 of the Planning Act, R.S.O. 1990)

Applying for Subdivision Approval

The attached application form is to be used only when applying to the Town of Caledon for subdivision plan approval. The application must be completed in full and submitted together with the required application information, fees, reports and plans listed below, to the Town of Caledon Development Approval and Planning Policy Department.

In order to meet processing time frames the applicant is advised that pre-consultation with appropriate authorities during completion of the application is key to ensure identification of all issues and in particular, requirements for supporting documentation reports.

В. **Using the Application Form**

- The attached application form must be fully completed including the applicants' affidavit and registered owners certificate and returned to the Town of Caledon together with the number of copies identified on the DART Form. Please ensure that you keep a copy for your files.
- The application should be completed by the applicant or his authorized agent. written authorization of the registered owner and affidavit of the applicant must also accompany the application. For your convenience, an authorization and affidavit section has been included in the attached application.
- It is the responsibility of the applicant to research and evaluate the site and the proposal to ensure that the development will conform with the interests of the health, safety, convenience and welfare of the present and future residents. Any pertinent information should be reflected in the application form.
- As noted on the application form certain infrastructure projects to service plans of subdivision are subject to the provisions of the Environmental Assessment Act. applicant is advised to consult with their engineering consultant to provide determination in this matter.
- Where additional support materials such as environmental, noise abatement, planning or engineering reports are required, all reports and background information must be submitted with the application in accordance with the DART Form.

| C. **Draft Plans**

The Planning Act requires that the applicant shall provide as many copies of a draft plan as may be necessary and shows all information required under Section 51(17). The plan must

6311 Old Church Road Caledon, ON L7C 1J6

www.caledon.ca

the applicants' certificate. To carry out the review of the application, drawings and material will be required in accordance with the DART Form. Drawings are to be folded to 8 ½ x 11 of the draft plan, together with two (2) reductions of each drawing, $8 \frac{1}{2} \times 11$ in size, on photographic paper (KP5) will be required. If further copies are needed, the applicant will be notified. The applicant shall also provide 3 compact discs containing the draft plan in a geo-referenced file (NAD 27) in 'dwg', 'shp' or 'dxf' format. Please include a file name, contact name and phone number on the label of each disc. If assistance is required please contact the Development Approval and Planning Services for direction.

be drawn to scale in metric units, and include

- D. Information to be Shown on the Draft Plan Under Section 51(7) of the Planning Act, R.S.O., 1990
- the boundaries of the land proposed to be subdivided, certified by an Ontario Land Surveyor;
- the locations, widths and names of the (b) proposed highways within the proposed subdivision and of existing highways on which the proposed subdivision abuts;
- on a small key plan, on a scale of not less than one centimetre to 100 metres, all of the land adjacent to the proposed subdivision that is owned by the applicant or in which the applicant has an interest, every subdivision adjacent to the proposed subdivision and the relationship of the boundaries of the land to be subdivided to the boundaries of the township lot or other original grant of which the land forms the whole or part;
- the purpose for which the proposed lots are to be used;
- the existing uses of all adjoining lands; (e)
- the approximate dimensions and layout of (f) the proposed lots;
- natural and artificial features such as buildings and other structures or installations, railways, highways, watercourses, drainage ditches, wetlands and wooded areas within or adjacent to the land proposed to be subdivided:
- the availability and nature of domestic water (h) supplies;
- the nature and porosity of soil; (i)
- existing contours or elevations as may be (j) required to determine the grade of the highways and the drainage of the lands proposed to be subdivided;
- the municipal services available or to be available to the land proposed to be

subdivided; and

(I) the nature and extent of any restrictions affecting the land proposed to be subdivided, including restrictive covenants or easements.

E. Fees

- a) A cheque in the amount of the appropriate Town of Caledon fee, made payable to the Town of Caledon. Please refer to the Town's Fee By-law.
- A cheque in the amount of the appropriate Region of Peel fee, is to be included with the application, made payable to the Region of Peel.
- c) Conservation Authority Subdivision Review Fee is collected by the Conservation Authority.

F. Signing the Property

The applicant shall erect a sign in accordance with the requirements of Schedule II and file with the Development Approval and Planning Policy Department a letter agreeing to maintain the sign(s) both for structure and paint work to the satisfaction of the Director of Development Approval and Planning Policy.

G. Dealing with the Application

- 1. After accepting the application as complete as per the Planning Act, (this will be confirmed in writing and the application shall not be deemed to be complete until such written confirmation is received) the Town will confer with internal Town Departments and external agencies who may be concerned, to obtain information and comments.
- 2. Following evaluation of the plan and the comments from internal departments and external agencies, as noted above, conditions may be imposed by the Town in granting draft approval of the plan (approval in principle).
- 3. Sections 51(39) of the Planning Act also provides the opportunity for any person, including the applicant or a public body, to appeal the decision of the Town to the Ontario Municipal Board. It is recommended that the applicant acquaint him/herself with the provisions of the Planning Act in this regard.
- 4. The agencies affected by the conditions must indicate to the Town that they have been fulfilled to their satisfaction prior to the approval of the final plan for registration.

H. Concurrent Class EA Project Approval

Section 6 of the *Environmental Assessment Act* prevents draft approval until the requirements of

Section 5(1) have been fulfilled. Section 7 of the subdivision application requires that any Schedule C water, storm drainage, sewage or road projects be identified and the location and dimensions of such projects must be shown on the subdivision plan, in the key plan, separately on the plan.

Subdivision Application Form (Application for approval under Section 51 of the Planning Act, R.S.O. 1990)

This application for approval under Section 51 of the Planning Act must be fully completed to the satisfaction of the Town of Caledon, before the formal processing of the application will begin.

Site Features and Constraints Concerning Matters of Provincial Interest

The following features are matters of Provincial Interest and/or relate to the Provincial Policy Statement. Please indicate if they are located on the subject property or abutting property and advise if the required technical information to demonstrate consistency with Provincial Policy is attached. Before undertaking any action requirements consult with appropriate authorities to determine details.

Policy	Features/ Constraints	Action Required	Yes On- site	Yes off-site but within 500 metres	No	Identify where the action required has been addressed
1.1.1	Non-farm development outside of urban areas and designated settlement areas or expansions of same	Development proposed outside of or the expansion of these areas require a Justification Analysis			No	
1.1.3	Class I industry. (Small scale, self-contained plant, no outside storage, low probability of fugitive emissions and daytime operations only)	A feasibility study is needed for: a) residential and other sensitive uses within 70 metres of a Class I industry or vice-versa;			No	
	Class II Industry. (Medium scale, processing and manufacturing with outdoor storage, periodic output of emissions, shift operations and daytime truck traffic)	· ·			No	
	Class III Industry within 1000 metres. (Processing and manufacturing with frequent and intense off-site impacts and a high probability of fugitive emissions	c) residential and other sensitive uses within 1000 metres of a Class III industry or vice-versa.	·		No	
	Landfill site	A landfill study to address leachate, odour, vermin and other impacts is needed.			No	
	Sewage treatment plant	A feasibility study is needed for residential and other sensitive uses.			No	
	Waste stabilization pond				No	
	Active railway lines	Within 100 metres, a			No	
	Controlled access highways or freeways, including designated future ones	feasibility study is needed for development			No	
	Electric transformer stations	Within 200 metres, a noise study is needed for development.			No	

Policy	Features/Constraints	Astion Downing				
Folicy	reatules/Constraints	Action Required	Yes On- site	Yes off- site but within 500 metres	No	Identify where the action required has been addressed
1.1.3	Airports where noise exposure forecast (NEF) or noise	A feasibility study is needed for:		mettes	No	
	exposure projection (NEP) is 28 or greater	a) Group 1 uses (residential) between the 28 and 30 NEF/NEP contour. At or above the 30 NEF/NEP contour development may not be permitted. Redevelopment of existing residential uses may be considered above 30 NEF/NEP provided that it has been demonstrated that there will be no negative impacts on the long-term function of the airport.				
		b) Group 2 uses (office/commercial) at or above the 30 NEF/NEP contour.c) Group 3 uses (industrial) at or above the 35 NEF/NEP				
1.2.1	Affordable Housing	contour. Encourage housing forms and densities designed to be affordable to moderate and lower income households.			No	
1.3.3	Transportation and infrastructure corridors	The continuous linear characteristics of significant transportation and infrastructure corridors and rights-of-way to be protected.			No	
2.1.3	Prime agricultural land	Only agricultural, secondary and agricultural related uses are permitted within prime agricultural area designations. Removal of lands from prime agricultural areas will require a Justification Study.			No	
2.1.4	Agricultural operations	A separation distance calculation under the Minimum Distance Separation Formula for non-agricultural uses to be complied with and submitted concurrently with the application.		Yes		Subject Lands are within an approved Urban Boundary
2.2.3.2	Existing pits and quarries	It must be demonstrated that proposed development will not preclude the continued use of existing pits and quarries.			No	
2.2.3.3	Protection of mineral aggregate resources	Within or adjacent to mineral aggregate resource areas, justification is needed for nonmineral aggregate development.			No	
2.3.1	Significant portions of habitat of endangered and threatened species	Within this feature, development is not permitted. Within 50 metres an Environmental Impact Study is needed.			No	EIS is provided
2.3.1	Significant woodlands and valleylands, significant areas of natural and scientific interest (ANSI), significant wildlife habitat, fish habitat	Except for fish habitat and valleylands, within these features or within 50 metres of the feature, an Environmental Impact Study is needed for proposed development. Within 30 metres of a valleyland, an Environmental Impact Study is needed which must include fish habitat.			No	EIS is provided

.

Policy	Features/Constraints	Action Required	Yes On- site	Yes off- site but within 500 metres	No	Identify where the action required has been addressed
2.3.1	Significant wetlands	Within significant wetlands development is not permitted. Within 120 metres, and Environmental Impact Study is needed.			No	·
2.3.3	Diversity of natural features and their natural connections	Within 50 metres of a significant natural corridor an Environmental Impact Study is needed.			No	
2.4.1	Surface water, groundwater, sensitive groundwater recharge/discharge areas, headwaters and aquifers	It must be demonstrated that the quality and quantity of these features will be protected or enhanced.	Yes			EIS and Hydrogeological reports provided
2.5.1	Significant cultural heritage landscapes and built heritage resources	Development to conserve significant cultural heritage landscapes and built heritage resources.	·		No	Cultural Heritage Impact Assessmen provided
2.5.2	Significant archaeological resources	In areas containing significant archaeological potential and resources, these resources are to be studied and preserved, or where appropriate, removed, catalogued and analyzed prior to development. Contact Heritage Resource Officer	Yes			Removed off-site as part of Stage IV Archaeological Study
3.1.1	Erosion hazards and unstable soils or bedrock	Areas of unstable soils or bedrock and within the 100-year erosion limit of ravines, river valleys and streams, development should be restricted.			No	
3.1.2	Flooding hazards	Within the regulatory shoreline, a feasibility study is needed, but within defined portions of the dynamic beach and defined portions of the 100-year flood level along connecting channels, development should be restricted.			No	
3.1.2	Flood plains	Where one zone flood plain management is in effect, development is not permitted within the flood plain. Where two-zone flood management is in effect, development is not permitted within the floodway. Where a Special Policy Area (SPA) is in effect, development must meet the official plan policies for the SPA.	Yes			Features staked by TRCA, drainage addressed in Functional Servicing and Stormwater Management report, provided
3.2.1	Mine hazards or former mineral resource operations	Development on or adjacent to such features will only be permitted if satisfactory rehabilitation measures have been completed.			No	
3.2.2	Contaminated sites	In areas of possible soil contamination, an inventory of previous uses is needed and site restoration to ensure no adverse effect.			No	

SCHEDULE II

SIGNING OF THE PROPERTY

The Corporation of the Town of Caledon requires, on all applications for amendments to the Official Plan and Zoning By-law and applications for Temporary Use By-Laws, that the applicant erects a sign(s) on the proposed property in accordance with the following requirements:

- a) Upon applying for an amendment to the Official Plan and/or Zoning By-law the applicant shall erect and maintain in a structurally sound condition, the required sign(s). The cost of the sign(s) is the responsibility of the applicant.
- b) Sign Specifications:
 - i) <u>Size:</u> The sign must be 1.2 metres wide by 1.2 metres high with a 0.6 metre ground clearance.
 - ii) <u>Material:</u> It is recommended that the sign be constructed using a 19 mm exterior grade plywood panel. Vertical structural members should be 100 mm by 100 mm fir, installed to a depth of 1.2 metres below grade: 50 mm by 50 mm horizontal fir stringers should be located behind the top, bottom and centre of the sign panel.
 - iii) Paint: Sign panels and all structural members must be painted with a quality paint. Lettering to be black inscribed on a white background.
 - iv) <u>Lettering:</u> The sign is to be professionally lettered or silk screened, using upper case letters, size 50 mm and 100 mm.
 - v) <u>Location</u>: One sign shall be erected along each street frontage of the property, and shall be erected at a minimum distance of 6 metres from the lot line and midway between the adjacent property lines.
 - vi) <u>Wording</u>: The sign for only a proposed Official Plan Amendment will read as follows:

	HAS APPLIED	FOR
(NAME OF APPLICANT)		
AN OFFICIAL PLAN AMENDMENT FROM	TO	(PROPOSED)
TO PERMIT	ON THIS PRO	,

photo(s) illustrating the required sign(s) erected on the sul	

- c) The photo(s) illustrating the required sign(s) erected on the subject property must be submitted to the Development Approval and Planning Policy Department **prior to circulation of the application**.
- d) Once an amendment to the Official Plan and/or Zoning By-law, or Temporary Use By-Law has been dealt with by the Town of Caledon Council, the sign on the property should be removed. If the sign is not removed within 30 days of receiving notification of approval from the Town of Caledon staff, the Town will take the sign down and charge the applicant accordingly through taxes.
