View the Tax Account(s)

- 1. When you first login to your account, you will see two options on the top left of the screen:
 - Home Additional information and a link to the Property Tax webpage and contact details.
 - Add an Account.
- 2. Once logged in and you have selected the property tax account that you would like to view, additional menu options will be available:
 - Account Information
 - o Change Contacts & Delivery Methods
 - Enroll or change Pre-Authorized Payments
 - Request a Statement of Account
- 3. The **Account Information** tab provides a summary of your account, including transaction history and any available tax notices for viewing and downloading.
- 4. **Tax Bills** available for viewing and download can be accessed by clicking the icon under the PDF table heading. This action will open a new page where you can print or save the bill to your device.
